

## Important Message to Parents

---

**ATHLETIC ABILITY** is necessary for riding a scooter. Generally speaking, your youngster should be good at riding a bicycle before getting on a scooter. Can your youngster judge speeds and distances while riding a bicycle and react with proper hand and foot actions? Anyone who does not have good coordination, balance, and agility is not ready to ride this scooter.

**MENTAL AND EMOTIONAL MATURITY** are requirements for safe riding. Does your youngster think through problems and come to logical solutions? On a bicycle, does your youngster obey safe riding rules? Be honest! Young people who take unnecessary risks, make bad judgments, and don't obey rules are not ready to ride this scooter.
