

## Servicing Your Honda

---

The following table summarizes the three types of inspections and servicing recommendations for your scooter. Both the pre-ride inspection and the scheduled maintenance at the recommended intervals are necessary to assure safe and dependable performance. The periodic checks provide additional confidence in your scooter's performance.

| Type of Inspection/Service | Refer to page: | When Performed       | Who Performs        |
|----------------------------|----------------|----------------------|---------------------|
| Pre-ride Inspection        | 34             | before every ride    | you                 |
| Periodic Maintenance       | 72             | monthly*             | you                 |
| Maintenance Schedule       | 74             | interval on schedule | your Honda dealer** |

\* more often if you ride frequently or long distances; or anytime you clean your scooter

\*\* unless you have the proper tools and service data and are mechanically qualified

An optional tool kit may be available. Check with your Honda dealer's parts department.
