

Loading and Operational Guidelines

This Sportrax is not designed to carry cargo or tow a trailer. If you decide to add accessories to allow you to carry cargo or tow a trailer, use common sense.

Carrying cargo will affect how your Sportrax handles and greatly reduce its ability in accelerating, braking and making turns and other maneuvers.

Be sure to observe the weight limits and follow these guidelines:

1. Never ride with a passenger.
2. Do not tow another vehicle.
3. Make sure all cargo is secured before riding.
4. Allow extra room for starting, stopping and turning whenever you carry cargo or pull a trailer.
5. Avoid riding on steep slopes when carrying cargo or pulling a trailer.
6. Never cross a slope when towing a trailer.
