

# Indicators & Displays

## Multi-function Display (Canada only)

The multi-function display (1) includes the following functions:

- Speedometer
- Odometer
- Tripmeter
- Digital clock
- Hourmeter

The digital clock will reset if the battery is disconnected.

- |                                    |  |
|------------------------------------|--|
| (1) multi-function display         | (7) digital clock/hourmeter                |
| (2) reverse indicator              | (8) minute select button                   |
| (3) neutral indicator              | (9) hour select button                     |
| (4) oil high temperature indicator | (10) digital clock/hourmeter select button |
| (5) speedometer                    | (11) odometer/tripmeter select button      |
| (6) odometer                       |  |
