MOTORCYCLE SAFETY

AWARNING

*Motorcycle riding requires special efforts on your part to ensure your safety. Know these requirements before you ride:

SAFE RIDING RULES

1. Always make a pre-ride inspection (page 46) before you start the engine. You may prevent an accident or equipment damage.

 Many accidents involve inexperienced riders. Most countries require a special motorcycle riding test or license. Make sure you are qualified before you ride. NEVER lend your motorcycle to an inexperienced rider. 3. Many automobile/motorcycle accidents happen because the automobile driver does not "see" the motorcyclist. Make yourself conspicuous to help avoid the accident that wasn't your fault:

• Wear bright or reflective clothing.

• Don't ride in another motorist's "blind spot."

4. Obey all national and local laws and regulations.

 Excessive speed is a factor in many accidents. Obey the speed limits, and NEVER travel faster than conditions warrant.

 Signal before you make a turn or lane change. Your size and maneuverability can surprise other motorists.
